Dear Members of Migrante BC:

**RE: Launching of MIGRANTE BC**

It is a great pleasure for me to extend my best wishes to the organizers of MIGRANTE BC. It is an honour for me to send greetings on this important occasion.

I commend you on the services you will provide in immigration assistance, cultural, community and social activities which will continue to strengthen families. Strong families build strong cities.

Although I am unable to attend your launch event, I do wish you all the very best for both a very successful beginning and continued success in all of your future endeavours and contributions to the social fabric of the City of Vancouver.

Yours truly,

Councillor Tim Stevenson
