MEMORANDUM

FOR : The Provincial Director, Tarlac PPO
Camp Macabulos, Tarlac City
(Attn: Inves Sec)

SUBJECT : Special Report re Alleged Abduction

DATE : May 20, 2009

1. This pertains to the reported abduction of three (3) still unidentified persons, a female and two males at Sitio Bagong Sikat, Brgy Kapanikian, La Paz, Tarlac at about 191330H May 2009 by heavily armed men on board with two motorcycles and a dark blue van.

2. OOA 191630H May 2009, Brgy Capt Michael M Manuel of Brgy Rizal and ABC President of this municipality reported to this station that heavily armed men were sighted at Brgy Kapanikian of this town.

3. Acting on the report, elements of this station led by PO3 Jeffrey L Ramos were dispatched to the said brgy to verify the veracity of the report.

4. Initial Investigation conducted by PO3 Reslydindo S Meimban, investigator on case revealed and according to Mr. Jesus Paulo y Galas, 44 years old, married of same place that said three (3) unidentified persons suddenly entered their house OOA 182200H May 2009 and asked a favor to sleep and stay overnight. Jesus Paulo further narrated that he was nervous then and allowed them to stay even against his will because of fear.

5. That said persons stayed there until 191300H May 2009 and even prevented him and his two sons from going out of their house. At about 1:30 P.M. of same date more or less eight (8) heavily armed men with long and short firearms wearing bonnet and on board with two motorcycles and a dark blue van arrived at their place and directly went to their house and forcibly handcuffed the three unidentified persons and dragged them inside the van and sped away to unknown direction.

Other sources disclosed that while victims were forcibly taken from the house of Mr. Paulo at said place they overheard the female victim shouting the name ELISA ROXAS.

Description of the victims are as follows: Female, at about 5'6" in height, medium built, good looking, white complexion, with mole on her left face sporting long hair and about 25 to 30 years old. Other victim a male person about 5'3" in height, brown complexion, medium in built, about 55 to 60 years old and semi bald hair. Other victim a male person about 30 to 35 years old, medium built, brown complexion with army cut hair, with missing two front teeth (Central Incisor).

6. On investigation conducted and interview to the available witnesses the type of motorcycles used by the suspects are Honda XRM, color red and dark blue, without plate numbers and a Besta van, color dark blue and with still unknown plate number.

7. This station is continuously conducting follow-up and indept investigation to identify the identity of the suspects as well as to the victims and to ascertain the motive behind the incident.

8. For information.
